CUSBPWRKIT1A

USB Charging Kit 1A

This USB Charging Kit allows you to charge most of your mobile devices at home, in your car, boat or truck without the need of a PC or notebook. With the USB to Micro-USB cable and Apple cable, you can charge devices with many different connections with this kit, like your iPod, iPhone, Samsung, BlackBerry, or Motorola phone and most devices with a Micro-USB connector, like navigation systems, MP3 players and digital cameras.

Highlights

> Charge your USB device directly through a power socket
> Charge USB (5V) devices quickly thanks to high output (max 1000mA)
> Small, compact and easy to take along
